

2020 Scholarship Application Form and Information

Dear Students, Parents, and Friends of Michaels:

All high school seniors and graduates living in sites managed by Michaels or its affiliates are invited by the Board of Directors of The Michaels Educational Foundation to apply for scholarship grants for the 2020-2021 academic year, totaling at least \$750,000 to be awarded in June, 2020.

The Foundation, in its thirtieth year, is issuing this invitation to distinguished residents who are pursuing some form of higher education at a college, trade/professional school, or institute. The Michaels Educational Foundation is a privately funded, non-profit educational organization that was created in February, 1991, expressly to assist high school graduates living in Michaels properties throughout the nation. In its first twenty-nine years, the Foundation awarded in excess of \$7,735,000 to worthy students throughout the country. This is one of the few foundations of its kind in the nation.

We encourage the financial support of corporations, companies, families, private trusts, and individuals wishing to join us in this effort to honor and assist those who are the future of the Michaels communities.

Please contact us if you have any questions about any phase of the Foundation's work to help students living in Michaels sites throughout the nation.

Sincerely yours,

Michael J. Levitt

Scholarship Information For Applicants And Parents

ELIGIBILITY

All high school students who plan to begin post-secondary studies at colleges or trade/professional schools are eligible for these grants provided they reside on a site which is professionally managed by Michaels or its affiliates. The applicant/family must be in good standing with the rules and regulations of HUD and Michaels.

High school graduates residing at sites managed by Michaels or its affiliates who are currently enrolled in college undergraduate programs or trade/professional school and plan to return to post-secondary studies for the 2020-21 school year are also eligible, and may apply for a Michaels grant. A matriculated boarding student may apply provided their primary residence is with a parent/guardian residing on a site which is professionally managed by Michaels or its affiliates, (applicant/recipient must be named on all applicable lease documents). **Applications for graduate level programs will not be accepted.**

SELECTION CRITERIA

The criteria used to select grant recipients includes academic performance, character, and proficiency, or potential proficiency in a chosen field of study. Each of these criteria carries equal weight in determining who will receive grants. Academic performance is determined by evaluating high school or college grade transcripts released to the Foundation by the student.

All high school students applying must possess a minimum of a 2.5 grade point average on a 4.0 scale or its equivalent. All matriculated college students applying must possess a minimum of a 2.3 grade point average on a 4.0 scale or its equivalent. College students applying for grants who have attained sufficient credits at their institution of higher learning to be considered as a junior, must specify a declared major. The Foundation values student efforts in working toward a degree.

Character will be evaluated through examination of an essay written by the student and a reference provided by an individual the applicant selects. As an alternative to the essay, musical and/or dramatic presentations must be provided. These presentations may not exceed five minutes. The Foundation would prefer these presentations on videotape or DVD. Submission of a portfolio (not to exceed 10 pieces on compact disc or digital printouts) of artistic work or composition is also a suitable alternative to the essay. A brief written description including the title(s) of your work, performance or musical composition must also be provided. Please do not submit original art work. Artistic submissions will not be returned.

DETERMINATION OF FINANCIAL NEED

Since the parent, guardian or students residing at Michaels or its affiliate sites must provide a yearly updated financial statement demonstrating their eligibility for continued residency at a site managed by Michaels or its affiliates, this form will be utilized to determine financial need. Gross income of the household of the applicant must fall within the range of Section Eight (8) Income Limits or within the range of affordable housing limits of the county in which the applicant resides. These requirements are not applicable to residents living in military housing managed by Michaels.

DESCRIPTION OF AWARDS

Each award will represent a scholarship grant provided to the selected students. These grants should not be mistaken in any way for student loans. While a high school student may apply for consideration for a grant prior to being accepted at a college or trade/professional school, they must provide documentation in the form of an admissions acceptance letter to the Foundation before the grant will be finalized. The exact number of awards and the total amount of money to be awarded in 2020 will be determined during the selection process, in the sole discretion of the Foundation.

PAYMENT OF GRANTS

All grants are made payable to the colleges or other post-secondary institutions where the recipients will attend during the 2020-21 school year. As was previously mentioned, the student must provide the Foundation a copy of an admissions acceptance letter to an accredited school. It is the intent of The Michaels Educational Foundation that the full amount of these grants will be applied toward the recipient's school expenses. We suggest that the recipient contact The Michaels Educational Foundation before accepting any scholarship from the Foundation, if there is any doubt about the continuance of other financial aid, especially need-based scholarships.

APPLICATION PROCEDURE

There are four essential parts of this application, and all must be received in order for The Michaels Educational Foundation to consider an application.

The deadline for completed applications is **April 15, 2020**. Please mail Parts I, II, III, and IV (listed below) to Dr. Bruce W. Johnson, The Michaels Organization, P.O. Box 90708, Camden, NJ 08101.

- I. The completed Application Form that contains basic information about the applicant, as well as, the applicant's and parent/guardian statement with signatures.
- II. An official grade transcript that shows the courses you have taken and the grades awarded through the fall semester of the 2019-2020 school year. These transcripts will allow us to evaluate academic performance. College students should request their transcripts no later than March 9, 2020.
- III. Utilize the attached reference form to secure a reference. This reference should come from a person who has first-hand knowledge of your functioning as a student on a regular basis. The Michaels Educational Foundation Scholarship Program assumes that recommendations from teachers, guidance counselors, professors, principals, deans, and/or other school administrators are better indications of a student's future performance in school than personal recommendations. **AS A RESULT, THIS RECOMMENDATION SHOULD COME FROM THE AFOREMENTIONED TYPE INDIVIDUALS. REFERENCES FROM RELATIVES AND PERSONAL REFERENCES WILL NOT BE ACCEPTED.**

IV. **Part A - REQUIRED ESSAY:**

Failure to complete the REQUIRED essay portion of the application will DISQUALIFY your eligibility to receive a scholarship award.

We are thinking about your future-show us that you have thought about it too!

The Michaels Education Foundation is making an investment in YOU. As such, the selection committee would like to gain insight into your story, your motivations and the next steps toward your future.

In an essay of approximately 400 words (typed or neatly printed), please explain specifically:

- ◆ **Your focus:** What will be your major, trade profession or field of study? Why did you choose it?
- ◆ **Your goal:** What will be your objective immediately upon graduation from your program?
- ◆ **Your plan:** What actions will you take to achieve that goal or employment?

Note:

Creative alternatives to the essay are also acceptable. Musical and/or dramatic presentations may be provided. This presentation should be five minutes or less in length, preferably submitted on video tape or DVD. Submission of a portfolio or artistic work, not to exceed 10 pieces, is also a suitable alternative to the essay. Please do not submit original art work. Artistic submissions will not be returned. A brief written description including the title(s) of your art work, performance or musical composition must also be provided.

Part B - CONDITIONAL ESSAY:

If you meet the criteria below, this is also a required essay for you.

If your transcript reflects "D" or "F" grades or withdrawals from a class, provide an essay of approximately 400 words (typed or neatly printed) to explain specifically:
